Caabuqa Corona. Wuxuu kugu ridi karaa bukaan

Caabuqa Corona wuxuu adiga kugu ridi karaa qufac iyo dhuunta oo ku xanuunta,

Madaxa oo ku xanuuna iyo duuf ama siin.

Caabuqa Corona wuxuu xitaa adiga kugu ridi karaa qandho.

Qyabo badan oo dadka ka mid ah waxaa dhibi karta neefsashada .

Caabuqa Corona wuu faafaa.

Marka aad adigu qufacdo Caabuqa Corona wuu faafi karaa

Dadka kale.

Sidaas darteed ayay mihiuum u tahay in aad adigu ku qufacdo xagasha gacaanta

Caabuqa Corona wuxuu ku faafi karaa marka aad u dhowaato dadka kale

Sidaas darted ayay muhiim u tahay

In aydaan idinka oo badan aydaan hal meel wada joogin

Waxaa iyadana xitaa muhiim ah in aan hab laysa siin

Ama in aad gacan ka gacan isku salaantaan dadka kale.

Xitaaa waa in aadan ku taaban farahaaga adiga wajigaaga

Caabuqu wuzuu ku faafi karaa xitaa in aad taabato meel

Sidaas darteed ayay xitaa muhiim u tahay in aad adigu gamcaha dhaqdo marar badan

Saabuun iyo biyo diiran.

Markaas ku qallaji gacmaha warqadaha gacmaha

Deedna ku tuur warqadaha gacmaha saxaarrada qashinka

Haddii haddaba adiga uu ku xanuuno madaxa ama cunaha waa inaad guriga iska joogtaa.

Haddii aad adigi qufacayso, ood ddif leedahay ama qandho aad isku aragto guriga joog.

Markaas iyada ah waxaa caabuqa ku adkaanaysa inuu dadka ku sii faafo
